

Holtzclaw High School, located in his hometown of Crystal Springs, in May 1966, George relocated to Gary, Indiana. There he worked for a short time at Inland Steel before enlisting in the Army on November 29, 1966.

After completing his required training, SP4 Osborne's tour in Vietnam commenced on May 20, 1967. He is remembered for his commitment toward the ideals of freedom for all and for his concern for those with whom he fought. During his time in Vietnam, SP4 Osborne made a great impact on his fellow soldiers, one of whom would later contact his family to tell the story of the day George saved his life. Tragically, on November 22, 1967, while transporting a mortar round, it exploded, and SP4 Osborne sustained a fatal fragment wound. While there is great sorrow in his young life being lost that day, SP4 Osborne's service and sacrifice will forever be remembered by a proud community and a grateful nation.

Following his death, SP4 Osborne was posthumously awarded the Military Merit Award. For his service and sacrifice, he is also a recipient of numerous awards including the Purple Heart, Air Medal, Army Commendation Medal, National Defense Service Medal, Vietnam Campaign Medal, Vietnam Service Medal, Good Conduct Medal, Combat Infantryman Badge, Vietnamese Merit Medal, and the Vietnamese Cross of Gallantry.

George is remembered fondly by his friends and family. He is survived by his brothers, Herbert, Glen and Robert Osborne, and his sister, Georgia Osborne-Davis. He was also the cherished son of George Sr. and Virginia, and the beloved brother of Melvin Wilson, Will Osborne, Lula Osborne, and Lois Osborne-Kemp, all of whom have passed on.

Madam Speaker, at this time, I ask that you and my other distinguished colleagues join me in honoring a fallen hero, SP4 George Osborne, Jr. SP4 Osborne is a true patriot who fought not only for his country but for the freedom of all people. He made the ultimate sacrifice and will forever remain a hero to his family and friends, to his community, and to all those for whom he served. Thus, let us never forget the sacrifice he made to preserve the ideals of freedom and democracy.

#### IN RECOGNITION OF THE 100TH BIRTHDAY OF MARY INA JONES HENDLEY

##### HON. MIKE ROGERS

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 4, 2021*

Mr. ROGERS of Alabama. Madam Speaker, I rise today to recognize the 100th birthday of Mary Ina Jones Hendley.

Ina was born November 25, 1921, to Fisher and Mary Griffin Jones, a farming family in South Georgia. One of 14 children, her family depended on her to help with childcare and their farm. Her father was a carpenter and businessman, so she also helped in the family store. Ina graduated high school the top of her class in Nashville, Georgia.

Like her father, she was proficient in mathematics. She worked for a local agricultural manufacturer until marrying her high school sweetheart, Willard Hendley. Willard served proudly in the United States Navy during

World War II, in the Pacific theater. They lived in several port areas during the war. Later they returned to raise their two daughters in Nashville.

Ina and Willard assumed leadership roles in the community and their church. Accounting was Ina's interest and she completed courses that led to work as a finance officer at Moody AFB, Valdosta, Georgia. She continued her education through off-campus courses offered by Troy University and attained a BS in Business. She also earned an MBA from Valdosta State University. After her daughters left home, Ina accepted a position as Payroll Supervisor at Patrick AFB, in Satellite Beach, Florida.

They witnessed rocket launches near Cape Canaveral and enjoyed having their grandchildren observe these historic events. When she retired at 70, her coworkers gave her a signed photo of the space shuttle. After retiring, Ina was a caregiver for Willard. During this time, Ina worked towards a Religious Education degree, including time as an extension student with New Orleans Baptist Seminary. She completed several mission trips with her church teaching English as a Second Language.

In her early 80's, Ina returned to her hometown of Nashville and sang in church choir, helped at the food bank and served as a "Pink Lady" at the hospital and nursing home.

In 2013, she moved to be near her second daughter and resides in Alexander City, Alabama. Ina attributes her health to being active; loving to walk, exercise and read.

Madam Speaker, please join me in recognizing Ina and wishing her a very happy 100th birthday.

#### RECOGNIZING RECOVERY LIGHHOUSE

##### HON. VICKY HARTZLER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 4, 2021*

Mrs. HARTZLER. Madam Speaker, I rise today to recognize an amazing group, Recovery Lighthouse in Warrensburg, Missouri.

Founded in 2006 by Dr. Adriatik Likcani and the late Mr. Douglas Quimbach, the organization began as a drop-in counseling center for individuals and families in the Warrensburg area. Today, Recovery Lighthouse offers outpatient counseling in Warrensburg and Sedalia. The organization also runs five long-term sober-living houses, the first of which was LIME Tree, a house for women in recovery. They now have two houses for women, two for women and children, and one for men, with another men's house opening soon. These houses give those in recovery a place to continue their sobriety, hold a job, and build interpersonal relationships until they are ready to live on their own.

Recovery Lighthouse offers training and development courses for their staff to provide them with the necessary tools to better understand what it takes to provide treatment and recovery support for individuals. This, along with partnering with their community to advocate for recovery, are just a few of the ways Recovery Lighthouse stays true to their mission of providing people with as much support as possible in a safe and caring environment.

Recovery Lighthouse is a truly wonderful organization working to help communities in Missouri's Fourth Congressional District overcome substance-use disorders and provide for them a helping hand along the path to full recovery. I commend Dr. Likcani and all the staff for implementing such a life-changing program and look forward to seeing them impact their communities for years to come.

*Thursday, November 4, 2021*

Mrs. McCLAIN. Madam Speaker, I rise today to recognize William "Bill" Livesay of East China, Michigan, on being named the 2021 St. Clair County Michigan Veterans Council Veteran of the Year. Bill was nominated for this award by the St. Clair County Voiture Locale 120, 40et8.

When you look at Bill's resume, you won't be surprised why he has been awarded this high honor. Bill embodies selfless patriotism towards his country and thoughtful service to his community. Soon after graduating high school, Bill enlisted in the United States Air Force in 1965 and trained in Aerospace Ground Equipment. He left active duty in 1969 and enlisted in the Michigan Air National Guard, 127th Tactical Reconnaissance Wing, at Detroit Metropolitan Airport. Soon after in 1971, the Wing relocated to Selfridge Air National Guard Base.

Bill supported and deployed numerous times during operations in Southwest Asia, Kosovo, the Iraq campaign, and also served as a military advisor to the Latvian Ministry of Defense. In January of 1998, he was appointed 127th Wing Senior Enlisted Advisor and was then appointed Command Chief Master Sergeant. In 2000, he was selected as the Michigan Air National Guard Command Chief. He retired in September 2003 with 38 years, 2 months, and 23 days of service. During this time, he received awards such as the Meritorious Service Medal with two Bronze Oak Leaves, Air Force Commendation Medal with a Bronze Oak Leaf, and the Air Force Achievement Medal with a Bronze Oak Leaf.

After his retirement, Bill was employed by the United States Army and assigned to the Heavy Tactical Vehicle Division Tank & Automotive Command, in Warren, Michigan. As an equipment specialist, he was involved in direct support of all Heavy Tactical Vehicles during the initial stages of the Afghanistan and Iraq conflicts. He finally retired in January 2013 with more than 47 years of government service.

In retirement, Bill has kept active. He has been a member of the American Legion Post 382 for 17 years, serving as their Post Adjutant since 2016. He is also a member of the Post Honor Guard and Post Color Guard, and since 2014, he has been a member of the St. Clair County Veterans Council Honor Guard team. There have been over 1,500 veterans' funerals and community ceremonial events in which he has performed. Any veteran who has

an issue, should seek out Bill; he has been a constant promoter of veterans' programs that highlight available benefits. If he does not know an answer, you can be sure he will do all he can to find the answer.

It is an honor to recognize such a great American. Bill has dedicated his life to this country and its veterans. It is my hope that Bill recognizes the enormous impact he has had. The example he has set will be followed for years to come. I congratulate Bill on this honor and I thank him for his service. I wish him many more years of dedicated and selfless service.

HONORING THE 75TH INACTIVATION ANNIVERSARY OF THE 65TH INFANTRY

---

**HON. STEVEN M. PALAZZO**

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 4, 2021*

Mr. PALAZZO. Madam Speaker, today, I commemorate the 75th Inactivation Anniversary of General George S. Patton's 3rd Army, 65th Infantry Division.

The 65th Infantry Division was activated on August 16, 1943, at Camp Shelby, Mississippi under the command of Major General Stanley E. Reinhart. Upon completion of their training, the soldiers of the 65th Infantry Division were transported by train to Camp Shanks, New York and departed via troop ships on January 10, 1945, for combat in Europe. In the face of severe aggression from Germany, they were transported aboard ships from England to a barely functional France. The 65th Infantry Division set up Camp Lucky Strike despite extremely harsh winter conditions and low supply and food rations. During the Second World War, this unit fulfilled its motto of "Right to Be Proud" as they fought their way to victory. The soldiers traveled a total of 850 miles from Le Havre, France, to Enns, Austria.

The soldiers of the 65th Infantry Division have been awarded numerous honors for their heroism and valor in battle. They received the Congressional Medal of Honor, 7 Distinguished Service Crosses, 11 Legion of Merits, 67 Silver Stars, 4 Soldier Medals, 690 Bronze Stars, and 19 Air Medals.

On August 31, 1945, the 65th Infantry Division was inactivated. A few years later, veterans of the unit held annual reunions to provide support and encouragement to their comrades in arms and to remember those who made the ultimate sacrifice and did not make it home.

They were just young men when they put aside their hopes and dreams to answer our nation's call. Today, on behalf of the 4th Congressional District I am honored to recognize the heroes of the 65th Infantry Division on their 75th Inactivation Anniversary ceremony.

They are truly members of the greatest generation.

ISABELLA ROSE DORIAN  
MEMORIAL

**HON. AL GREEN**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 4, 2021*

Mr. GREEN of Texas. Madam Speaker, Isabella Rose Dorian was born in Houston, Texas, on October 8, 1941, to Mannis Dorian and Annie Cormier Dorian. Isabella's parents instilled in her a strong work ethic, leading her to become the first member of her family to pursue higher education. Isabella attended Texas Southern University before transferring to and graduating from the University of Texas—Medical Branch in Galveston ("UTMB") with a Bachelor of Science in physical therapy.

With encouragement from her uncle and Godfather, Louis Dorian, Isabella began her career as a physical therapist by serving those in need in the Fifth Ward community. Isabella rejoiced in her work, taking pride in helping patients recover in ways they scarcely could have imagined when they received their initial prognosis. While working at the St. Elizabeth Hospital, Isabella reunited with a onetime college suitor, Eugene Edwards, who had become a pharmacist. The pair married in 1976 and would go on to raise two daughters, Valerie and Ananda. Isabella and Edward instilled their shared values of hard work and service to others in Valerie and Ananda. Isabella's daughters pursued careers in television and filmmaking, as well as law and public service, each making her immensely proud.

Isabella is survived by her daughters, Valerie and Ananda Edwards; her granddaughter, Dylan Rose Beavers; her niece, Shandra Mason; her great-niece; her great-nephew; her brother-in-law and a loving community. Isabella's passion for service and education were an inspiration to all who met her. She will be dearly missed.

RENACER ACT, S. 1064

**HON. PETER A. DeFAZIO**

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 4, 2021*

Mr. DeFAZIO. Madam Speaker, on November 3, 2021, I voted Present on S. 1064, the Reinforcing Nicaragua's Adherence to Conditions for Electoral Reform (RENACER) Act of 2021.

Let me be clear: I strongly oppose Nicaraguan dictator Daniel Ortega and his repressive and antidemocratic regime. The ills of Ortega's authoritarian regime are manifold. Ortega and his cronies have intimidated or arrested virtually all potential political opposition in the country. Ortega has engaged in numerous human rights abuses, and he has enriched himself and his allies while decimating the Nicaraguan economy and its people.

While I sympathize with this legislation's intent to crack down on Ortega and his cronies, it's not clear that the legislation as written would effectively achieve these aims. Instead, the legislation's text appears to require broad-based sanctions that could contribute to further economic collapse in the country, negatively impact the Nicaraguan people, exacer-

bate a migration crisis, and further consolidate Ortega's grip on power.

This legislation also did not go through the normal legislative process in the House. Instead of receiving scrutiny through the traditional committee and amendment process, this legislation was put on the floor last-minute as a suspension without adequate input from Members or the House Financial Services Committee—which I understand had significant reservations with the legislation's text.

As we've seen in other countries where the U.S. has engaged in broad-based sanctions, these types of sanctions do not always achieve their intended result. When appropriate, I support smart, targeted sanctions that limit adverse effects on civilian populations. Unfortunately, this legislation—and the lack of adequate legislative scrutiny—does not meet that standard.

END PALM OIL DEFORESTATION  
ACT

**HON. JOHN GARAMENDI**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 4, 2021*

Mr. GARAMENDI. Madam Speaker, today I introduce the "End Palm Oil Deforestation Act," which would incentivize all palm oil products imported into the United States to be certified by credible third-party standards for lawful, ethical, and sustainable sourcing of palm oil like the Roundtable on Sustainable Palm Oil. My bill would also prohibit American taxpayer dollars from funding destructive practices or forced labor for palm oil cultivation.

As President Biden stated this week in his address at the 2021 United Nations Climate Change Conference—known as "COP26"—tropical forests worldwide are a significant carbon sink increasingly lost to deforestation. The United States and all countries must act as responsible stewards of this resource.

Unsustainably cultivated palm oil—used in a variety of food products, cosmetics, and biofuels—is one of the primary drivers of tropical deforestation worldwide. Remarkably, imported palm oil has virtually no requirements under federal law to demonstrate that it is cultivated and harvested sustainably or even legally in the country of origin. At the 40th Session of the International Civil Aviation Organization (ICAO) Assembly in 2019, the global aviation sector committed to transition towards the use of advanced biofuels. As the commercialize airline industry makes this transition to purportedly "sustainable aviation fuels," the global demand for palm oil is only set to increase. That is why we must act immediately to ensure that only sustainably and ethically sourced palm oil is sold in the United States.

My "End Palm Oil Deforestation Act" would establish a preference under federal law for imports of certified sustainable palm oil and palm oil products. It would also require that all palm oil products, whether food, cosmetics, or fuel, bear a label stating their country of origin, allowing American consumers to make informed decisions. In addition, my bill would remove palm oil from eligibility under the grandfathered facility clause of the U.S. Environmental Protection Agency's Renewable Fuel Standard (RFS) under which unsustainable,
